

# 2025 Draft Budget: Township of Lucan-Biddulph

## Total Municipal Contribution

Contribution	Amount
<b>Category 1 Programs and Services</b>	
General Levy*	\$26,179
Benefit-based Structure Levy* (see table below)	\$260
<b>Category 1 Levy Total</b>	<b>\$26,439</b>
<b>Category 3 Programs and Services</b>	
Cost Apportionment Agreement	\$2,232
<b>Total Municipal Contribution</b>	<b>\$28,671</b>

## Benefit-based Structure Levy

Significant cost increases have been realized for projects initiated in 2024. In some cases, capital project proposals have doubled forecasted costs. With aging infrastructure, continued structure maintenance costs are also significantly higher. Increases in levies will be seen particularly among those municipalities with benefit-based percentages on structures due to capital repairs.

Operation, Maintenance and Capital	Levy
Wildwood Dam - Piezometer and stability analysis, safety boom installation	\$205
Pittock Dam	\$55
<b>Total Benefit-based Levy</b>	<b>\$260</b>

## Municipal Levy

\*The UTRCA levies the member municipalities for operating and capital costs for mandatory Category 1 programs and services. There are two levy components:

### General Levy:

- Supports all Category 1 programs and services.
- Apportioned among member municipalities according to the Modified Current Value Assessment, in compliance with Budget and Apportionment Regulation (O.Reg. 402/22).

### Benefit-based Levy:

- Supports specific structures (i.e., dams, channels, dykes), which are all Category 1 costs.
- Local share of the costs is funded by the municipalities that benefit from the structure.
